PRESENTATION GUIDELINES

Articles

Read and digest the article assigned to your group. If you have any clarifications, please consult or message your teacher.

Content

Every important part of the article should be presented in class. You should determine the following:

- Background of the author
- Milieu or context of the time when the work was written.
- Summary of the article.
- Main arguments of the article.
- Supporting details to the main argument.

Assigned articles should also be analyzed. Provide your own analysis of the article. Answer the following questions:

- What is the contribution of the article to the discourses on the subject?
- Can this article help us to deepen our understanding on relevant discourses on Rizal? Explain.

Presentation

Every group will be given 15 minutes for their report. Each PowerPoint presentation should be no more than 20 slides. Presentations will be held onsite or online, depending on the agreed setup/schedule. You can deliver your report in Filipino or in English. Every group member should participate in the presentation.

Open Forum

Questions from the non-reporters should be entertained by the reporters. Five (5) minutes will be allotted for the discussion after each report.
